---

1) Do you have responsibility for Cybersecurity? 0

Do you plan to add or expand cybersecurity initiatives in the next 12 months? 0

Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: 0

Please summarize your top Cybersecurity challenges you need assistance with in the next 3-6 months. Please be as descriptive as possible and provide context around your current needs. (this ensures a relevant schedule): i would prefer to use as few vendors as possible. the more we can use services from existing vendors like microsoft, the better.

---

2) Do you have responsibility for Cloud software solutions? 0

Do you plan to add or expand cloud solution initiatives in the next 12 months? 0

Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: 0

Please summarize your top Cloud Solutions challenges you need assistance with in the next 3-6 months. Please be as descriptive as possible and provide context around your current needs. (this ensures a relevant schedule): trialing ms dynamics and bqe core in the next few months for a consolidated hr system. crm for marketing/job proposal work may also be part of that, though our marketing director already has his eyes on cosential (i understand they were just bought recently and have a different name). looking to move largely if not solely to the cloud in the next 3-5 years.
