---

1) Do you have responsibility for Cybersecurity? 0

Do you plan to add or expand cybersecurity initiatives in the next 12 months? 0

Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: 0

Please summarize your top Cybersecurity challenges you need assistance with in the next 3-6 months. Please be as descriptive as possible and provide context around your current needs. (this ensures a relevant schedule): we have just started to formalize our information security team. there are several initiatives that the team will be evaluating to possibly implement in 2022. siem and iam are probably at the top of this list.

---

2) Do you have responsibility for Cloud software solutions? 0

Do you plan to add or expand cloud solution initiatives in the next 12 months? 0

Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: 0

Please summarize your top Cloud Solutions challenges you need assistance with in the next 3-6 months. Please be as descriptive as possible and provide context around your current needs. (this ensures a relevant schedule): we are in the process of migrating away from our on premises solutions to a more cloud native model. all production, client facing applications are already cloud based, it's now just a matter of getting the corporate it solutions migrated as well.

---

**3) Do you have responsibility for Digital Solutions?: 0**

**Do you plan to add or expand digital responsibility initiatives in the next 12 months?: 0**

**Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: 0**

**Please summarize your top Digital Solutions challenges you need assistance with in the next 3-6 months. Please be as descriptive as possible and provide context around your current needs. (this ensures a relevant schedule): no**

---

**4) Do you have responsibility for Data Management? 0**

**Do you plan to add or expand data management initiatives in the next 12 months? 0**

**Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: 0**

**Please summarize your top Data Management challenges you need assistance with in the next 3-6 months. Please be as descriptive as possible and provide context around your current needs. (this ensures a relevant schedule): we have initiatives in place to handle our areas of responsibility here.**

---
