---

1) Do you have responsibility for Cybersecurity? yes

Do you plan to add or expand cybersecurity initiatives in the next 12 months? yes

Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: Data Loss Protection,Mobile App Security,Mobile Security,Security Operations Center ‚Äì SOC as a ServiceSIEM,

Please summarize your top Cybersecurity challenges you need assistance with in the next 3-6 months. Please be as descriptive as possible and provide context around your current needs. (this ensures a relevant schedule): over the next 6 months we are going to be looking into creating computer and mobile policies including a byod/mdm solution for rollout company wide. we will also be looking to a way to collect all logs for our managed network services platform (siem solution) to be able to identify who has made what changes to managed devices. as the threat of extortionware continues to ramp up, we will need to consider implementing a better dlp solution apart from what is available on our current firewall product. finally we are starting to look at a better solution to our current mssp with better reporting.
