2) Do you have responsibility for Cloud software solutions? 0

Do you plan to add or expand cloud solution initiatives in the next 12 months? 0

Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: 0

Please summarize your top Cloud Solutions challenges you need assistance with in the next 3-6 months. Please be as descriptive as possible and provide context around your current needs. (this ensures a relevant schedule): phase 1: review taf,àö¬¢,Äö√ß¬®,Äö√±¬¢s current state processes and technology platforms by performing a comprehensive review of policies, procedures, processes, systems, internal controls, segregation of duties, review of the current deltek systems, and review

THE LEAD⚡TORM

of project management related processes and systems.

 phase 2: use the analysis of the current state and the information gathered to develop taf,àö¬¢,Äö√ß¬®,Äö√±¬¢s future state requirements for both the financial management and project management system. begin the design of future state recommendations, configurations for the selected system(s), and processes.

 phase 3: develop a multi-year, multi-tier comprehensive future-state technology roadmap for core and supplemental systems identified together with a rough order of magnitude estimate. the road map and alternatives will ensure a streamlined process with optimized system capabilities (including dashboards and an fp tool) after addressing any identified weaknesses or deficiencies. the development of the road map includes steps to evaluate different financial and project management related system options against taf business requirements. this will include a number of viable different options (example: build versus buy) related to ensuring successful financial and project management.

3) Do you have responsibility for Digital Solutions?: 0

Do you plan to add or expand digital responsibility initiatives in the next 12 months?: 0

Please specify which solutions you are interested in speaking to solution providers about with current and future projects in mind: 0
